

GuardMaster 250

Fillable Base

At less than 5lbs GuardMaster's light weight makes it easy to transport and store. The base can be filled with water or sand to give stability in use. The PVC post is matched with a base made of tough, impact resistant Polypropylene so there is nothing to rust making GuardMaster ideal for outdoor use. Available in black, yellow and red GuardMaster can also be supplied with any of our standard plain, striped or safety message belts.
